For avoidance of doubt, all premium amounts mentioned herein are exclusive of Value Added Tax (VAT). VAT and any other taxes currently applicable or which will be applicable in connection with this insurance policy shall solely be borne by the Insured/Policyholder. The Insured/ Policyholder hereby agrees to pay to the Insurer the applicable VAT/any other taxes paid by the Insurer, on the Insured/Policyholder's behalf, within 30 calendar days of receiving the invoice failing which the Insured/Policyholder shall be considered to be in material breach of the Policy's terms and conditions and, the Insurer shall be within its right to invoke legal remedies available to the Insurer including to terminate the policy and/or offsetting such VAT or other tax amounts from any other amount which the Insured/ Policyholder is to receive from the Insurer without the need to obtain any further consent from the insured/policyholder and/ or any court judgment/order. B. Claim settlements - where We agree to pay the policyholder

When Sukoon pays a claim, your VAT registration status will determine the amount we pay you. When you are:

- a. Not registered for VAT, the amount we pay, will be the sum insured/limit of indemnity or any other limits of insurance cover, including VAT.
- b. Registered for VAT, the amount we will pay will be the sum insured/limit of indemnity or any other limits of insurance cover and where you are liable to pay an amount of VAT in respect of an acquisition relevant to your claim, we will pay the VAT amount. However, we will reduce the VAT amount we pay for by the amount of any input tax credits to which you are or would be entitled to if you had made the relevant acquisition. In such instances the input tax credit would be claimable by you upon filing of your VAT return.
- c. All policyholders making a claim with Sukoon must declare their VAT registration status.
- d. Any VAT liability arising from your incorrect declaration is and will be payable by you (the policyholder).
- e. Where the settlement amount of your claim is less than the sum insured/limit of indemnity or any other limits of insurance cover, we will only pay an amount of VAT (less any entitlement to an input tax credit) applicable to the settlement amount.

Payment

Indemnity, if any, of the Insured Person will be paid to the Insured Person through a bank account only. In case the Insured Person is unable to claim under the Policy then the indemnity if any of the insured person is payable to the beneficiary as evidenced in the Certificate of Insurance, who shall be the legal beneficiary designated in writing. Any payment made by Sukoon in good faith pursuant to this provision shall fully discharge Sukoon to the extent of the payment.

A. Basis of Sum(s) Insured

Building sum(s) insured should be based on the cost of rebuilding Your property to the same specification including garages outbuildings and permanent fittings (see the definition contained in the policy) plus an amount of approximately 15% to cover demolition costs and architects and surveyor's fees. Market value is not necessarily an accurate indication of rebuilding costs.

Contents and Personal Belongings sum(s) insured should be based on the full cost of replacing all the property insured without allowance for wear & tear and depreciation except for clothing, household linen, and pedal cycles. If the sum insured is inadequate at the time of a loss, then Your claim settlement may be reduced. If You add to the value of Your property (for example by extending the Building or buying new furniture or other contents) please remember to tell us so that Your sum(s) insured can be adjusted accordingly. We draw Your attention to the sum insured conditions under the Buildings, Contents and Personal Belongings Sections of the Policy.

B. Automatic Increase in Sum Insured

Building, Contents and Personal Belongings sums insured can be made subject to this clause to provide a good measure of protection against inflation provided that Your sum(s) insured are correct at the outset. However, in Your own interest You should review these regularly.

Don't forget to tell us if Your Home is to be left Unoccupied for more than 60 consecutive days for which an additional premium may be required if we agree to extend the unoccupancy period.

C. Safety Precautions and Useful Tips

- a. Making the most of Your insurance
- b. Photograph or videotape all Your belongings and keep a record of their serial numbers and receipts where applicable. If You ever have to make a claim, Your visual record of the missing or damaged items will make the process much easier.
- c. Whenever Your circumstances change - for example, if You buy a new Home or a valuable belonging - remember to review Your coverage and update it if necessary.
- d. If You cannot pay Your insurance premium, You should contact Your insurance provider before the account falls into arrears and You no longer have insurance protection. Sometimes, an extended payment period can be arranged, or an alternative payment method may be available.
- e. Whether You're a tenant or an owner, it's advisable to have liability insurance. You may be responsible for any damage that You may cause to someone else's property. For example, if Your bathtub overflows and floods the neighboring apartment or condominium unit - or a burst pipe in Your garden floods Your neighbor's garage - You may be held liable.
